

Raliat

Age: 25

Education: Graduate

Hometown: Abuja

Family: Single

Occupation: Events Planner

Goals

- To ensure she can verify that every event attendee is on the guest list.

Frustrations

- She has to send invites manually to every guest's mail.

Raliat is an event planner who lives in Abuja. She needs an app that helps her verify each invited guest.

Akpan

Age: 19

Education: Undergrad

Hometown: Calabar

Family: Single

Occupation: Web designer

Goals

- To build his network.

Frustrations

- He does not have any connections in Lagos.
- He cannot find upcoming events.

Akpan is a web designer who just got admitted to the University of Lagos. He wants to find other IT professionals and communities around him. He needs an app that can find upcoming IT events and conferences near him.
